

Enduro-TurboClean™

“No Worries 4 Year Guarantee

Bumper to bumper Four Year No Worries 4 year Guarantee

Includes Enduro-TurboClean™ Annual Scheduled Maintenance Program and parts and labor necessary to replace factory-identified wearable parts.

Provides full protection extended warranty for pumps, motors, and electronics.

Excludes cable, trolley, and any item subjected to misuse or mishandling.

Service includes two comprehensive site visits per year and provides replacement Drive Belts and Drive Tracks, installed per factory specs.

Also includes inspection and/or adjustment of: trolley items, brushes, pulleys, communication board, electrical connections, cable, remote control, infrared sensors, belt tightener, double valve, filter plate & seal, and hood cover.

Includes cleaning of filter bag, stainless steel casing, and vacuum sealing devices during visits, fine tuning programming to pool configuration, and training operator on use and maintenance.

Tech will record hour counter readings, and complete wet test of operations.

Non-wearable parts will be replaced on an on-site basis, and a loaner vacuum will be made available in the event that the vacuum cannot be repaired on site.

Guarantee Terms and Conditions
